

The Society of County Human Resource Professionals of Pennsylvania

An Affiliate of the County Commissioners Association of Pennsylvania

JOIN TODAY

Each county or county related entity (CRE) is considered the member, not individual staff, so one annual fee gives all human resources and benefits personnel within the county or CRE full access to the benefits of the Society. Also included in the cost of dues is one annual membership in the national Society of Human Resources Management (SHRM) which will be for the Primary Member within the county or CRE. The Primary Member is the human resource director or the chief clerk in counties without human resources staff. This is a \$219 value!
